

Facebook Live with Dementia Care Expert:

Live Q&A on Dementia Care with Dr. Allen Power

According to the Alzheimer's Disease Facts and Figures, an annual report released by the Alzheimer's Association®, there are 16.1 million Americans currently providing unpaid care for people with Alzheimer's or other forms of dementia. As the population continues to age and increase, that number is expected to rise.

Join us for our Facebook live event with Dr. Allen Power. He is geriatrician, clinical associate professor of medicine at the University of Rochester and the author of "*Dementia Beyond Drugs: Changing the Culture of Care.*"

During the Facebook live event, he is going to discuss the best practices when caring for a loved one with dementia. We would love for to join in and hear his expert advice.
